Treasures will include pirate punch and cookies and the biggest joy of all is when your child joins our captain at the helm!!

The “Hakuna Matata” Pirate Cruise is one of Grafton’s premier attractions. Our 1 hour pirate cruise offers something for everyone in your family. We provide an exceptional sightseeing experience along the palisading bluffs of the Mighty Mississippi River. Our crew will tell legends Piasa Tribe, as well as pointing historical and geographical land marks along the way.

We like to think that the best part of your cruise is the service and kindness that you’ll receive from our captain and crew.
